YOUR EXCELLENCY,
DEAR REICH PROTECTOR,

Your last letter filled me with such sorrow because I could not but gather from it that not even Your Excellency is prepared to believe me - that I lost consciousness and had to call University Professor, MU Dr. JIRASEK, who remained beside my sickbed for an hour - He is coming again today, together with the specialist on internal diseases, University Professor MU Dr. PELNAR. Your Excellency may be sure that I shall always do what I can to please you! But please have mercy on me too and do not demand that I should act against the laws of the church.

Yours, etc.,

Karl Card Kaspar, M.P.,

Prince Archbishop.

Unter Breschan, the 17 September 1940.
